Accreditation Statement

East Granby High School is accredited by the New England Association of Schools and Colleges, Inc., a non-governmental, nationally recognized organization whose affiliated institutions include public elementary, middle and secondary schools, Independent Schools, Technical and Career Institutions, Institutions of Higher Education, and American International Schools.

Accreditation of an institution by the New England Association indicates that it meets or exceeds criteria for the assessment of institutional quality periodically applied through a peer group review process. An accredited school or college is one which has available the necessary resources to achieve its stated purposes through appropriate educational programs, is substantially doing so, and gives reasonable evidence that it will continue to do so in the foreseeable future. Institutional integrity is also addressed through accreditation.

Accreditation by the New England Association is not partial but applies to the institution as a whole. As such, it is not a guarantee of the quality of every course or program offered or the competence of individual graduates. Rather, it provides reasonable assurance about the quality of opportunities available to students who attend the institution. The accreditation process also strives to seek the input of all stakeholders: educators, students, parents and community members.

Inquiries regarding the status of an institution's accreditation by the New England Association should be directed to the administrative staff of the school or college. Individuals may also contact the Association:

Introduction

Welcome! This information guide is intended to support students and families who are new to East Granby High School. Additional information can be found on our school website, including our handbook and program of studies. We hope that you find this information helpful as you make your transition to our school.

Registration

New students must complete the necessary registration forms located on pages 12-19. Once the required registration paperwork is completed, new students and their families will have an individual appointment set with a high school counselor. The school counselor will review the student's previous courses, grades, and test scores, determine credit awarded for any students entering grades 10-12, and advise the student with an appropriate course of study for the coming school year.

Prior to meeting with the school counselor, new students and families are asked to review the program of studies, available for download on our high school website, to better understand the course sequencing, programming options available and graduation requirements.

Mission Statement

East Granby High School fosters lifelong learning through the development and strengthening of 21st century skills. These intellectual, creative, social and civic skills will empower students to become responsible and productive citizens in an ever-changing global society.

Vision of a Graduate

East Granby High School provides a variety of opportunities for students to meet and exceed graduation requirements. Our district is currently focusing efforts on the following six categories for the Portrait of an EGHS Graduate: **Intellectual Agility, Mindfulness & Mindset, Global Acumen, Creativity & Innovation, Leadership & Collaboration, and Technological Agility.** We want all graduates to experience these components throughout their schooling, so they are fully prepared for their futures.

Academic Support

EGHS provides multiple opportunities for students to receive academic support. Teachers are available for conferences and extra help before and after school each day. EGHS also offers tutoring services each period for students during their study halls. Students who desire extra help are urged to make the necessary arrangements with their teacher or tutor. A late bus is available once per week for students who stay after for academic support.

Student Assistance Team/Scientifically Research Based Intervention

The Scientifically Research Based Intervention (SRBI) Team identifies and assists students who are not performing to their potential. These teams are comprised of teachers, administrators and support professionals from the staff who meet on a regular basis to intervene and provide support for students who are at risk academically or behaviorally. Guidance, academic support, and mentoring are offered. Students can also be referred to programs and agencies outside the school when appropriate.

Library/Media Center

The library media center is located on the main floor and is an important area of the school. It incorporates all library functions, but is much more than a library. In addition to housing library books, the library/media center has a collection of films and videos and a bank of computers, iPads, Chromebooks and laptops for individual or class use. Furthermore, an instructional area with a mounted SMART Board is available, as well as a number of other resources including selected magazines and newspapers, both current and older copies for reference.

Important Information

Attendance

- A student is considered to be “in attendance” if present at school, or an assigned activity by the school, (e.g. field trip), for at least half of the regular school day.
- Any student who is not in attendance is therefore considered to be absent. It is the primary responsibility of the parent/guardian to notify the school when their child is absent.
- A “half day” at East Granby High School is defined as being in school at least 4 full periods.
- Tardiness to school is defined as arriving after the school bell at 7:40 A.M. and four unexcused tardies will be considered the equivalent of an unexcused absence.
- Any student who leaves the building without permission is not allowed to return to school for any reason that day or take part in any after school activities.
- Students that accumulate more than four unexcused absences in a month or ten in one year are considered truant (CT Gen Statutes 46b-149).
- Parents can excuse students for absences one through nine, but starting with the tenth absence, additional documentation is needed. In the absence of documentation, absences will be considered unexcused.
- For more information regarding the state laws and attendance, go to the following website:
http://www.sde.ct.gov/sde/lib/sde/pdf/publications/guidelines_excused_and_unexcused_absences.pdf

Driving Privileges

Approval may be given to students to drive to school. Students must register their vehicles in the school office and pay a registration fee. Students must also display an East Granby High School Parking Permit.

Press Release

Photographs may be taken of the students during school sponsored events, sporting events or by the staff in their classroom for use in our Newsletter or in local papers for publicity of their achievement. If you do not wish to have your child's image used outside of our school, you may fill out the *Media Recording Release Form* and return it to the office.

Lunches

East Granby is a “brown bag lunch” school district. The schools in-district do not provide hot lunch daily. Lunch periods are approximately twenty-four minutes long. On most days, there is a sponsoring group who sells lunch items and the school store has an array of snacks and beverages. However, because there is no way to account for the number of students purchasing food each day, these sales are an added benefit and not to be relied upon as the sole provider for lunch. Students should always bring their own lunch with them to school. Parents are requested not to bring lunch to students during the day because having to call into classrooms causes unnecessary disruptions. For sanitary reasons, consumption of food is not permitted in other areas of the school.

Lockers

Students will be assigned a locker on the first day of school. Students are not to share lockers and are expected to keep possessions only in the locker assigned to them. Lockers are expected to remain locked at all times. The school will not be responsible for lost or stolen items left out in the open or in an unlocked locker or shared locker. No student shall keep or store in a locker any item which is illegal or in violation of school regulations or which endangers the health, safety, or welfare of self or others. Lockers are school property and may be inspected by authorized school personnel.

Transportation

Transportation to and from school is an important extension of the total educational process. Appropriate bus conduct is essential in order to maintain the safety standards necessary to insure the health and welfare of all our students. Bus routes can be found on the district website or by using the following link:

<https://www.eastgranby.k12.ct.us/parents/transportation/>

Tim Phelan- Transportation Coordinator: tphelan@eastgranby.k12.ct.us

PowerSchool

PowerSchool is a cloud-based student information system. The associated parent/student application provides access for parents and students in grades 6-12 to class pages where you will be able to see scores, schedules, and attendance, along with teacher contact information. New users can create an account at

<https://egps.powerschool.com/> after receiving activation information from the school.

These clubs may vary year to year based on student interest and advisor availability. Some clubs are also subject to the Pay to Participate fees.

*Student Council

* The Student Council is an organized group of students who meet regularly and share in the life of the school. Student Council is involved in learning, service, leadership, citizenship, fun, self-growth, caring, human relations, and much more. Student Council engages students, clubs, teachers, parents, administrators, and community members in activities that benefit the entire school community.

Student Council provides opportunities for all students to get involved. Even if a student is not a representative, he/she may participate in dance committees, fundraising drives, making decisions, and many other activities. Student Council exists to serve the students and the school. Election for Student Council representatives is held in the fall semester.

Athletics

Eligibility status is determined by the principal based upon school rules and CIAC requirements. Students who represent East Granby High School are required to meet academic and conduct standards in order to become eligible and continue to participate in interscholastic athletic competition. Individual coaches may set further standards than those defined in the student handbook. These will be approved by the principal and athletic coordinator and handed out to the athletes involved. A uniform penalty, as stated under school rules, will be enforced. All students participating in athletics are subject to the Pay to Participate fees.

NOTIFICATION OF REQUIREMENTS OF THE “NO CHILD LEFT BEHIND ACT”

You may have already learned about legislation passed in the latter part of 2001 on the federal level which affects the rights of military recruiters and their entitlement to information regarding secondary school students. Section 9528 of the act provides in broad terms that local school districts have an obligation to provide secondary school parents with notice of the military’s right to have certain directory information regarding their children, unless parents have specifically denied such access to the military by notifying the school district in writing of their refusal to participate.

East Granby Public Schools hereby notifies all secondary parents of the existence of the legislation and the requirement to provide military recruiters with the name, address, telephone number of secondary students in East Granby. If parents desire to exclude children from this requirement, parents must inform the school district in writing.
